**The Story of Birthright of Fredericksburg**

*In 1976, a few good souls knew that to combat the “choice of abortion,” another choice needed to be made available to women in our community facing an unplanned pregnancy. Led by founder Irene Hagerty, they simply asked, “How can we help you have your baby?” And so began the quiet, purposeful presence of Birthright of Fredericksburg. Forty years later, we continue to provide needed services to women seeking our assistance and so by serving mothers, we serve their unborn babies. As a result, many women considering abortion choose life. It is through generous donations and prayers that we courageously continue this Pro-Life work in whatever capacity we have been blessed with—one mom, one baby at a time.*
